Converde Energy USA Inc. Completes Share Exchange Agreement and merger with Hydration Company of PA, LLC and Appoints New Management

Portland , Oregon. January 13th, 2017 – Converde Energy USA Inc. ("Converde" or "XFUL"), (OTC Markets OTC Pink: XFUL), is pleased to announce the completion of a Share Exchange Agreement to merge Hydration Company of PA, LLC into Converde Energy USA Inc. This Share Exchange Agreement will provide a new direction and management for Converde and its Shareholders as well as renewed value.

Mr. Brad Domitrovitsch, the majority membership interest holder in Hydration Company of PA, LLC ("HCPA") and Converde have completed the Share Exchange Agreement (the "Agreement") whereby Converde, Inc. shall relinquish control to HCPA, while retaining a holding of preferred shares sufficient to 30% of the voting rights with additional rights stated herein, in exchange for Brad Domitrovitsch's contribution of his membership interest in HCPA to the Corporation. The Corporation has agreed to issue the common capital stock and control of Converde. In addition, the sitting members of the board of directors agreed to resign and appoint Mr. Brad Domitrovitsch as sole director.

As of the date of the Agreement, the corporation has received resignations from Mr. Michael McLaren and Sigmund Friberg. In addition, the Board acknowledges that Mr. Pierre Besuchet, who was appointed to the Board, has passed.

Mr. Brad Domitrovitsch Chairman & CEO of HCPA states, "We are enthusiastic to complete the next phase of evolution of HCPA. We believe access to the public markets will increase our value to our shareholders and competitive edge through the growth capital that the market affords us."

About Hydration Company of PA, LLC

HCPA is engaged in the businesses of water exploration, water augmentation, and the treatment of impacted waters. Through its subsidiaries and partners, we design, build, and operate regional water treatment facilities. HCPA is a leader in water-neutral energy solutions, as well as providing waste water technologies specifically designed to improve the impaired water disposal process.

The Company's IP delivers one of the highest energy yields from a broad range of water-bearing assets, with one of the lowest capital expenditures of any other known water processes.

HCPA offers a range of low cost attractive modular systems or fixed facilities via its water conveyance methodologies, which produce low cost water solutions in partnership with select small to large-size industrial energy users, government agencies, and non-profit watershed groups in target markets.

HCPA has pending contracts with government agencies and multiple industrials across a broad range of markets.
