Press Release

April 4, 2017

For Immediate Release

Converde Energy USA, Inc. Changes Name to American Energy Partners, Inc.

Allentown, Pennsylvania. April 4, 2017 – Converde Energy USA, Inc. (“Converde”), (OTC Markets OTC Pink: **XFUL**), is pleased to announce it has changed its name to American Energy Partners, Inc. (“AEPI”) to rebrand itself into a diversified energy company. AEPI intends on filing this name change with FINRA.

Mr. Domitrovitsch, Chairman & CEO, said, “We have continued our efforts to structure and rebrand Converde into a diversified energy company by changing its name to American Energy Partners, Inc. We are only in the initial stages but feel confident about the positive direction in which we are moving.”

American Energy Partner’s group of companies focus on providing solutions in the space where energy production and water meet technology. Our subsidiaries are engaged in the energy sector as well as design, build and operate regional water treatment facilities that serve the industrial, energy and government sectors.

American Energy Partner’s has begun its first capital raise and has set a target of \$5M. The majority of this capital will be used to build out its infrastructure and purchase producing oil & gas properties where American Energy Partners can leverage its water resources and treatment

methodologies. Please visit <http://americanenergy-inc.com/wp-content/uploads/2017/01/POM-12-28-16.pdf> to view the Offering Memorandum.

About American Energy Partners, Inc. ("AEPI")

American Energy Partner's group of companies focus on providing solutions in the space where energy production and water meet technology. Our subsidiaries are engaged in the energy sector as well as design, build and operate regional water treatment facilities that serve the industrial, energy and government sectors.

Hydration Corporation of PA, LLC ("HCPA"), a subsidiary of American Energy Partners is engaged in the businesses of water exploration, water augmentation, and the treatment of impacted waters. Through its subsidiaries and partners, we design, build, and operate regional water treatment facilities. HCPA is a leader in water-neutral energy solutions, as well as providing waste water technologies specifically designed to improve the impaired water disposal process.

The Company's IP delivers one of the highest energy yields from a broad range of water-bearing assets, with one of the lowest capital expenditures of any other known water processes.

HCPA offers a range of low cost attractive modular systems or fixed facilities via its water conveyance methodologies, which produce low cost water solutions in partnership with select small to large-size industrial energy users, government agencies, and non-profit watershed groups in target markets.
