American Energy Partners, Inc. (AEPT)

AEPT and its group of companies focus on providing solutions in markets where energy production and water meet technology. Collectively, the subsidiaries are engaged in the energy sector as well as the design, construction and operation of regional water treatment facilities that serve the industrial, energy and government sectors.

Hydration Corporation of PA, LLC (“HCPA”) is engaged in the businesses of water exploration, water augmentation, and the treatment of impacted waters. Notably, its intellectual property delivers one of the highest energy yields from a broad range of water-bearing assets, with one of the lowest capital expenditures of any other known water processes. **American Energy Solutions, LLC** provides treatment technologies that contribute to HCPA’s business model of low-cost treatment and distribution. As a provider of design, this subsidiary is capable of repeatable and synergistic services across the value chain. **Gilbert Oil & Gas Company** is leveraging broad industry valuation experience to source drilling, operating, and partnership opportunities in the upstream oil and gas space. It is positioned to become a strong customer of AEPT’s other subsidiaries while providing them with the foundation to attract other customers and enter new markets.
