For Immediate Release

Damian Georgino, Esq. to Join American Energy’s Board

Allentown, Pennsylvania. August 6, 2018 – American Energy Partners, Inc. (OTC: AEPT) (the “Company”, “American Energy” or “AEPT”), a diversified energy company, announces Damian Georgino, Esq. has joined its Board of Directors as an independent board member.

Damian Georgino has more than 25 years of experience in sourcing, structuring, acquiring, financing and successfully exiting various global enterprises, with a focus on water, wastewater, water as a natural resource, water point-of-use, treatment, and water technologies. He also has significant experience in energy and infrastructure. Mr. Georgino has been the Managing Partner of Sewickley Capital Partners, LLC for 18 years (a family office). SCP invests in all aspects of water, wastewater and the water/energy nexus. Mr. Georgino has successfully led, as a founding executive, the M&A, corporate finance, and legal aspects of three publicly traded water-themed entities, most notably, United States Filter Corporation (US Filter). In addition, Mr. Georgino was most recently an Operating Partner at Titan Grove Holdings, LLC where he invested in various water companies as well as renewable energy and infrastructure companies. He is currently a Strategic Advisor to Ayyeka Technologies, Ltd., an Israeli based IIoT focusing on the emerging need for Big Data in Smart Water Systems/Smart Cities and serves as a model for “water-as-a-service”.

Mr. Georgino has also been a partner in global law firms where his focus has been M&A, corporate finance, project finance and public and private investments across a broad spectrum of sectors including, water, wastewater, renewables and diversified industrials. He is currently Special Counsel with the global law firm, Eversheds Sutherland. Mr. Georgino is a frequent speaker on the topics of water, energy and infrastructure.

“Damian’s experience pairs very well with our M&A strategy, and we look forward to relying on his expertise as we navigate numerous opportunities ahead.” said Brad Domitrovitsch, Chairman and CEO of American Energy. “He will be an outstanding addition to our board.”

“I am honored to serve on the American Energy Board of Directors,” said Damian Georgino. “American Energy Partners is at a critical juncture in the execution of their business strategy and I am excited to join them at this moment.”

Safe Harbor

This press release contains forward-looking statements, particularly as related to, among other things, the business plans of AEPT, statements relating to goals, plans and projections regarding AEPT's financial position and business strategy. The words or phrases "would be," "will allow," "intends to," "may result," "are expected to," "will continue," "anticipates," "expects," "estimate," "project," "indicate," "could," "potentially," "should," "believe," "think", "considers" or similar expressions are intended to identify "forward-looking statements." These forward-looking statements fall within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Act of 1934 and are subject to the safe harbor created by these sections. Actual results could differ materially from those projected in the forward-looking statements as a result of a number of risks and uncertainties. Such forward-looking statements are based on current expectations, involve known and unknown risks, a reliance on third parties for information, transactions or orders that may be cancelled, and other factors that may cause our actual results, performance or achievements, or developments in our industry, to differ materially from the anticipated results, performance or achievements expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially from anticipated results include risks and uncertainties related to the fluctuation of global economic conditions, the performance of management and our employees, our ability to obtain financing, competition, general economic conditions and other factors that are detailed in our periodic reports and on documents we file from time to time with the Securities and Exchange Commission. Statements made herein are as of the date of this press release and should not be relied upon as of any subsequent date. AEPT cautions readers not to place undue reliance on such statements. AEPT does not undertake, and AEPT specifically disclaims any obligation, to update any forward-looking statements to reflect occurrences, developments, unanticipated events or circumstances after the date of such statement. Actual results may differ materially from AEPT's expectations and estimates.
