AMERICAN ENERGY PARTNERS, INC. RELEASES RECORD QUARTERLY AND ANNUAL REVENUE

ALLENTOWN, Pennsylvania – (March 25, 2020) – American Energy Partners, Inc. (“American Energy”) (PINK: AEPT), a diversified energy company, today reported financial results for its fourth quarter and fiscal year 2019 ended December 31, 2019.

Key highlights:

- *Top line revenue grew by well over 230%*
- *Organic growth revitalized and above September guidance at +60%.*
- *Total assets grew by 68%.*
- *American Energy management cut its net operating loss by over 50%.*
- *American Energy’s ending cash balance increased by over 130%.*

"American Energy achieved record revenue and delivered outstanding overall performance in fiscal 2019," said Brad Domitrovitsch, Chairman and CEO, American Energy. "In 2019 we made significant investments across our product portfolio, entered new markets, and made strategic acquisitions which we believe will fuel continued top and bottom-line performance."

Safe Harbor

This press release contains forward-looking statements, particularly as related to, among other things, the business plans of AEPT, statements relating to goals, plans and projections regarding AEPT's financial position and business strategy. The words or phrases "would be," "will allow," "intends to," "may result," "are expected to," "will continue," "anticipates," "expects," "estimate," "project," "indicate," "could," "potentially," "should," "believe," "think", "considers" or similar expressions are intended to identify "forward-looking statements." These forward-looking statements fall within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Act of 1934 and are subject to the safe harbor created by these sections. Actual results could differ materially from those projected in the forward-looking statements as a result of a number of risks and uncertainties. Such forward-looking statements are based on current expectations, involve known and unknown risks, a reliance on third parties for information, transactions or orders that may be cancelled, and other factors that may cause our actual results, performance or achievements, or developments in our industry, to differ materially from the anticipated results, performance or achievements expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially from anticipated results include risks and uncertainties related to the fluctuation of global economic conditions, the performance of management and our employees, our ability to obtain financing, competition, general economic conditions and other factors that are detailed in our periodic reports and on documents we file from time to time with the Securities and Exchange Commission. Statements made herein are as of the date of this press release and should not be relied upon as of any subsequent date. AEPT cautions readers not to place undue reliance on such statements. AEPT does not undertake, and AEPT specifically disclaims any obligation, to update any forward-looking statements to reflect occurrences, developments, unanticipated events or circumstances after the date of such statement. Actual results may differ materially from AEPT's expectations and estimates.
