**AMERICAN ENERGY'S SUBSIDIARY OILFIELD BASICS, LLC,
SIGNS PARTNERSHIP WITH LEADING OIL AND GAS DATA
ANALYTICS COMPANY, WELLDATABASE**

ALLENTOWN, Pennsylvania – (June 30, 2020) – American Energy Partners, Inc. (“**American Energy**”) (PINK: AEPT), a diversified energy company, today announces that its wholly owned subsidiary, Oilfield Basics, LLC, (“**OB**”) an industry leader in educational marketing of oil and gas industry topics, has entered into a strategic partnership with WellDatabase (“**WD**”). WD is a leading provider of oil and gas data and analytics. This partnership provides Oilfield Basics with unparalleled data and analytical tools for its content creators and provides WellDatabase with a ready-made educational platform on which to highlight their analytics expertise. The combined talent and strategic positioning of the companies are unparalleled in the space.

Oilfield Basics was recently acquired by American Energy in February of 2020. The company specializes in producing and curating free weekly podcasts with industry leaders and high-quality educational content on cutting edge industry content available nowhere else. Derek Krieg, President of Oilfield Basics, commented on the partnership “the combination of this level of oil and gas data and analysis with future educational content will bring the quality of our offerings into a new level of sophistication not yet experienced in the industry. This brings us closer to providing our targeted educational experience for our users wherever they are in the world at any time.”

John Ferrell, President of WellDatabase adds that “We love the vision of Oilfield Basics and are thrilled for the opportunity to partner with them. Data has become a necessity in our industry. Understanding that data is a critical part of any oilfield education. We look forward to working with the team and providing the highest quality, tools and content.” The information accreted and analyzed by WellDatabase includes well locations, production, and completion details across every active play in North America.
